

A Tiwa ("the people who were lifted from below") tribesman casts his vote during the second phase of the Indian general election in northeast India in April 2014. Parliamentary elections in India were held in nine phases between April 7 and May 12, 2014. The Election Commission of India reported a total of 814.6 million people eligible to vote, around 100 million more than in the elections in 2009. *Credit: Ritu Raj Konwar*
