To express your preference for a candidate for nomination for President, PUNCH OUT THE CROSS (+) in the voting square to the right of the name of the candidate. Your vote in this portion of the ballot is advisory only.

To vote for a candidate whose name appears on the ballot, PUNCH OUT THE CROSS (+) in the voting square to the right of the candidate's name. To vote for a qualified WRITE-IN candidate, write the person's name in the blank space provided for that purpose after the names of the other candidates for the same office and PUNCH OUT THE CROSS (+) to the right of the name you have written in, or your vote will not be counted.

To vote on any measure, PUNCH OUT THE CROSS (+) in the voting square after the word "YES" or after the word "NO."

All distinguishing marks or erasures are forbidden and make the ballot void.

**STATEMENT OF CANDIDATE FOR  
SUPERVISOR, 5th DISTRICT**

**COWLES MAST**

**AGE: 63**

**Occupation:** Farmer and Yolo County Supervisor

**Education and Qualifications:** More than three years have passed since I was elected Supervisor. I believe I have represented this sprawling rural and urban district well, and I have listened and learned.

The 5th District stretches from one end of the county to the other--from Rumsey to Elkhorn and from Knights Landing to Winters and a large portion of western Woodland. I've been close to Woodland all my life and I enjoy representing the city on the board. I understand the pressures and concerns the city is facing--and many aren't that different from those before the county.

Over these years, many of you have gotten to know me, and what I stand for. You know I am not a politician, but a citizen-farmer representing you. You know I will strive to protect our agricultural economy and way of life as we inevitably grow. And we must have some growth to pay for county services. I support development which is agriculturally related, such as the prune drying plant near Winters. It not only generates much-needed tax dollars, but also is an asset to the agricultural industry.

You know that I am particularly concerned that Yolo County has a reliable surface water supply for our future. Although we're in better shape than many other counties at the present time, we are situated between ever-sprawling metropolitan areas of Sacramento and San Francisco. We will grow. Just how, when and where that growth occurs and the need for an adequate water supply are issues on which I will work and provide leadership.

You know that I study the issues and then make an independent decision on what is best for my district and the county. In addition to farming, I spend about 40 hours a week on supervisory duties and have attended 99 percent of the board meetings. I also serve on a variety of boards and commissions.

I've spent my entire life in Yolo County, attended Yolo County schools including UC Davis. I have served on the County Board of Education, the Esparto School Board, County Farm Bureau Board and I am a former Madison Fire District Commissioner.

This County has given me so much during the course of my life. It feels great to be able to give something back. Yolo County is a great place to live, and I'll do everything I can to make sure it stays that way.

**FRANK SIEFERMAN**

**AGE: 65**

**Occupation:** Retired farmer/landowner

**Education and Qualifications:** I am a third generation resident of Yolo County, Born in Woodland December 30, 1926. I attended schools in Woodland, graduating from Woodland High School. Thereafter I served in the U. S. Maritime Service from 1944-1945. I married Jane Long in 1948 and have farmed in the Zamora area since 1949, retiring in 1992. We have three children; Frank, Jr., Carol, and Elizabeth. I have served as Chairman of Dunnigan-Zamora Farm Bureau and as a Director of Yolo County Farm Bureau; Zamora 4-H Sheep Leader; Organized and served as Director and Chairman of Northern Yolo Resource Conservation District, which was later consolidated into Yolo County Resource Conservation District. During that time I was instrumental in getting a State of California 1144 Grant to complete the Yolo County Soil Survey; Served as a member and Chairman of California State Resource Commission by appointment in 1968 and 1972; Served six years on Yolo County Planning Commission. I have a continuing interest in the wise use and protection of our resources, including our most productive farmland. I am concerned about the growth in rural areas, and any development of an area should be based on good long range planning.

**STATEMENT OF CANDIDATE FOR  
MEMBER, CITY COUNCIL  
City of Winters**

**MARION L. CANTOR**

**AGE: 48**

**Occupation:** Attorney

**Education and Qualifications:** I received my law degree from the University of California. My husband and I have resided in Winters for eight years. Our three children are (and will be in June, 1992) graduates of Winters High School. I have served as the Winters Representative to the Yolo County Transit Advisory Committee. I have also been the Secretary of the Winters PTA. I am currently President of the Board of Trustees of the Yolo County Law Library and Secretary of the Yolo County Bar Association.

I chair the Winters Planning Commission. My five years on the Commission have prepared me well for a seat on the Winters City Council. I have worked hard on the General Plan and now want to implement it as a City Council Member.

s/ Marion L. Cantor

**STATEMENT OF CANDIDATE FOR  
MEMBER, CITY COUNCIL  
City of Winters**

**J. ROBERT CHAPMAN**

**AGE: 46**

**Occupation:** Manager

**Education and Qualifications:** I am a life-long resident of Winters. After graduating from Winters High School, I attended American River College and California Polytechnic University, San Luis Obispo. I am a department manager with Beatrice Hunt-Wesson in Davis, a Lieutenant Colonel in the California Army National Guard and a graduate of the United States Army Command & General Staff Course. Following six years of service on the Winters Planning Commission, I was elected to the Winters City Council in 1980. I have served on the Council since, both as a council member and as Mayor.

As your Mayor during these last four years, I have worked diligently on the Winters General Plan. I have tried to preserve, in the General Plan, the small-town quality of Winters. The pace of life, and the calm, are reasons I have made my home here. Unfortunately, my council tenure includes the period of failing local businesses. I have been working with the local Chamber of Commerce and local business people on this General Plan, to reverse the unfavorable business climate and to make sure that the controlled growth will revitalize and encourage local businesses. Bedroom communities have no character to them, no feeling. I was raised here in a community of about 2,000 people, with a department store, a five and dime, a jeweler, a butcher, car dealerships, four grocery stores, shoe repair shops, and a train station. Aside from Southern Pacific, all were locally owned.

Now, with nearly 5,000 people, most of these are gone. Because bedroom communities cannot fund adequate city services, they are destined to deteriorate. We need a business and residential balance. It is the business sector that provides jobs on all income levels, and that generates taxes for all classes of housing stock.

I wish to serve again on the council, and help as we now adopt and implement the General Plan. I ask for your support.

s/ J. R. Chapman

**STATEMENT OF CANDIDATE FOR  
MEMBER, CITY COUNCIL  
City of Winters**

**TOM MARTIN**

**AGE: 32**

**Occupation:** Trucking Business

**Education and Qualifications:** I was born and raised in Winters, attending school here. I'm a third generation Winters resident. My wife, Karen, and I are raising our three children here. I have worked in Winters for 15 years, operating my own business for the last six years.

I have served the community as Youth Day Chairman for three years, was on the Board of Directors of the Chamber of Commerce three years, I've been a leader and active member of my church for the last eight years.

As a person with deep roots in this community, I have a strong concern for its future. I'd like to cut some of the restrictions on new businesses in order to create tax revenues for our city. Our young people need jobs. We need baseball diamonds and other sports facilities for our young people and adults as well. The people of this city have plainly stated their desire for controlled growth and I'll do my best to see the General Plan begin to be implemented. If elected, these are my main priorities.

Thank you and don't forget to vote!

**IMPARTIAL ANALYSIS BY COUNTY COUNSEL  
YOLO COUNTY ADVISORY MEASURE N**

Measure N presents the issue whether California should be divided into two separate states. It is an advisory measure. It allows the voters to voice their opinion on that substantive issue.

Adoption of the measure would have no legal effect on existing law. Its operation is to permit the voters to voice their opinion on the substantive issue of division of California into two separate states.

A "yes" vote expresses an opinion in favor of such a division. A "no" vote expresses an opinion in opposition to such a division.

Any division of California is governed by Section 3 of Article 4 of the U.S. Constitution. It specifies that no state may be formed within the jurisdiction of any other state without the approval of the legislature of the state affected as well as of Congress. The California Legislative Counsel has concluded that, while the U.S. Constitution does not require it, Congress might condition its consent on separate approval by the people of the territory of either or both of the new states.

Congress could consider the voice of the people in deciding whether to approve a division of California. It could also consider that voice in deciding whether to condition its approval on further approval by the people. The California Legislature could consider the voice in deciding whether to approve the division.

The California Constitution does not contain any provision for splitting the state.

County Counsel

**NO ARGUMENT IN FAVOR OF OR AGAINST  
THIS MEASURE WAS SUBMITTED**

**IMPARTIAL ANALYSIS BY COUNTY COUNSEL  
YOLO COUNTY ADVISORY MEASURE O**

Measure O presents the issue whether Yolo County should be included in the new 51st state if one is formed out of Northern California. It is an advisory measure. It allows the voters to voice an opinion on that substantive issue.

Adoption of the measure would have no effect on existing law. Its operation is to permit the voters to voice their opinion on the substantive issue of including Yolo County in the new 51st state if one is formed out of Northern California.

A "yes" vote expresses an opinion in favor of such inclusion. A "no" vote expresses an opinion in opposition to such inclusion.

Any division of California must be approved by both the California Legislature and Congress. Each could consider the voice of the people in deciding whether to approve the division of California.
