VOTING IN PERSON (ABSENTEE):

Registered voters who expect to be temporarily out of the County on election day or who qualify for other reasons, may vote in person in the office of the DuPage County Board of Election Commissioners as soon as the ballots are available (approximately 30 days before the day of the election).

PRESIDENTIAL AND VICE-PRESIDENTIAL VOTING:

As a result of recent changes in both federal and state laws, certain persons are now eligible to vote for certain Federal Offices of the United States, whether or not they are regularly registered as voters in the State of Illinois. The new laws permit these persons to both specially register as voters and to vote by absentee process by making application to the proper election official. These persons must be citizens of the United States, 18 years of age or older and they must have resided in the State of Illinois for 30 days as of the date of the Federal Election. The two categories are explained as follows:

I. NON-RESIDENT CITIZENS NOW RESIDING IN A FOREIGN COUNTRY

A request for application for non-resident registration must be made to the office of the DuPage County Board of Election Commissioners not more than 100 days nor less than 30 days prior to the date of such election. The request may be by letter or in person by the applicant or his representative. Upon receipt of the request a *special* registration form will be sent to the voter. Upon return of the completed *special* non-resident registration form the "*Federal Offices Only*" ballot is mailed to the voter by the DuPage County Board of Election Commissioners.

II. ILLINOIS RESIDENTS OR FORMER ILLINOIS RESIDENTS WHO HAVE MOVED OUT OF THEIR PRECINCT WITHIN A 30 DAY PERIOD PRIOR TO THE ELECTION AND WERE REGISTERED AT THE TIME OF THEIR REMOVAL.

A request for application for a "*President-Vice-President Only*" absentee ballot may be made to the

DuPage County Board of Election Commissioners within the 30 day period, but not later than 5 days prior to the election by mail or 1 day prior to the election in person. *These persons must have been registered at their prior residence at the time of their removal.* The request may be made by letter or in person, by the applicant or his representative. The "President-Vice-President Only" ballot is then mailed to the voter upon receipt of the completed special application form by the DuPage County Board of Election Commissioners or the voter may return, in person, to vote in the boards office.

NOTE:

Special Registration and/or voting for President-Vice-President *does not constitute Permanent Registration* under the law. To establish and maintain a permanent voter registration within DuPage County, please refer to those sections of this pamphlet pertaining, thereto.

VOTING: Hours for Voting on Election Day 6:00 A.M. to 6:00 P.M.

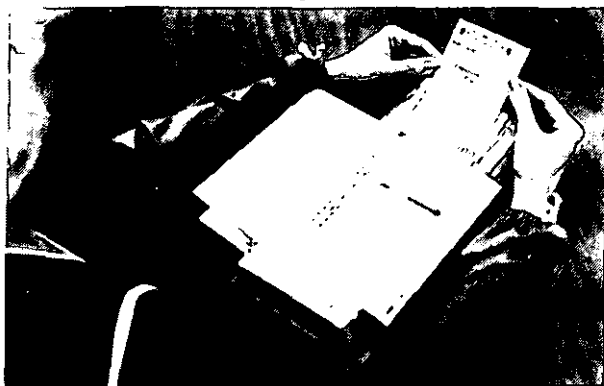

For instructions on the proper use of the vote recorder, there will be recorders on display in the Polling Places and the office of the DuPage County Board of Election Commissioners. Instructors are available and will be glad to give instructions and answer any questions.

FOR FURTHER INFORMATION: You may contact the DuPage County Board of Election Commissioners at 682-7440.

HOW TO VOTE:

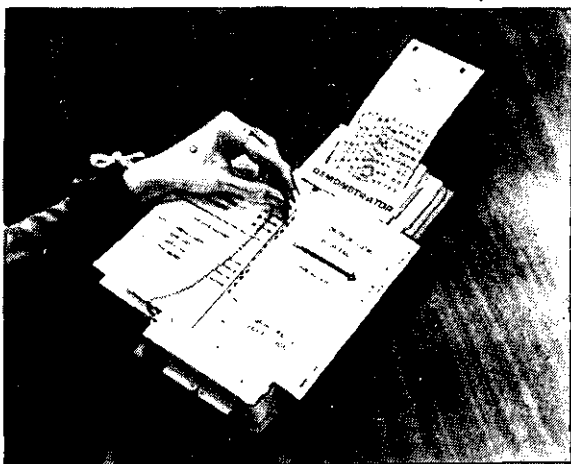

On election day the Judge of Election will give you a ballot card similar to the one shown below.

To vote, follow the easy steps outlined here.

1. Using both hands insert your ballot card in the slot at the top center of the vote recorder *Be sure card is right-side up.*

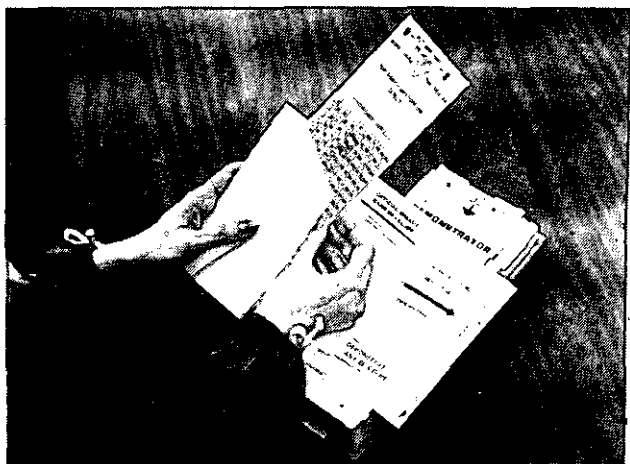

Slide your ballot card in as far as it will go, positioning the two holes at the top of the card over the two red pins on the vote recorder. Unless the ballot card is so positioned, it is not possible for you to record your vote.

2. Start at front of the ballot page booklet. Using the voting stylus or punch, record your vote by punching the hole next to the candidate or issue of your choice. *Hold punch straight up-and-down when voting! Do not vote for more than is allowed in each race or issue.*

Continue turning the ballot pages and vote your selection of candidates or issues. Be certain that you vote all ballot pages.

If you make a mistake, remove the card and give it to the Judge of Election for a replacement.

3. When your ballot is completed to your satisfaction, lift your ballot from the red pins and remove it from the vote recorder. Turn ballot pages back for next voter.

For secrecy of your vote, place your ballot card in the special envelope provided.

Should you wish to vote for someone who is not listed in the ballot booklet, you may do so by using the inside flap of the special envelope provided.

Return your ballot card in the envelope to the Judge of Election.

In some elections you may vote upon a paper ballot. In these cases, *BE CERTAIN TO PLACE A CROSS [X] IN THE CIRCLE OR BOX* to indicate your choice.

Any other type of mark will not be counted by the Judges of Election.
