WHEN DO I NEED TO REGISTER?

You must register by Monday, October 5, 1992 for the presidential election of November 3, if you haven't already done so. In general, you must register four weeks before the next election.

DO I NEED TO REGISTER AGAIN?

Your previous registration is still valid unless you move, change your name, or fail to vote for 4 consecutive years. - serving in the military.

Dear Voter,

When I became the Cook County Clerk in December 1990, I began an intensive voter registration program. I believe many citizens who want to vote, to have a say in the direction of our country and community, are frustrated. Many don't know how to register—or where they can go. We're working hard to remove those obstacles, and replace them with common-sense programs that make it easier to register and vote.

*Sincerely,
David D. Orr*
