VOTING IN ST. LOUIS COUNTY

We hope that this brochure will serve to increase the level of participation in the election process. The active involvement of informed voters is vitally important as we choose the officials and decide the issues that directly affect the quality of life we enjoy in St. Louis County.

*YOUR ST. LOUIS COUNTY
BOARD OF ELECTION COMMISSIONERS*

VOTER IDENTIFICATION

The St. Louis County Board of Election Commissioners has implemented new voting procedures streamlining the voting process at all polling places. The use of the new computer generated precinct registers requires all voters to show some form of identification *with a signature* for comparison purposes in order to vote.

I've just received my Voter I.D. Card in the mail. Do I have to bring it with me to vote?

- Your Election Board I.D. is the *preferred* form of identification because it contains your township and precinct, information we need to keep the lines moving smoothly. If you forget your I.D. Card you can still vote but you will need to present some other form of identification *with your signature*.
- *Voters with no identification may vote after an election judge receives permission from our Clayton office.*

SPECIAL PROGRAMS FOR THE HANDICAPPED

Has the St. Louis County Election Board done anything to make voting easier for people with physical disabilities?

- We have done a number of things in recent years to address the needs of the physically disabled.
 - Over three fourths of our polling place locations are handicapped accessible and all locations have been supplied with one vote recorder seven inches below standard height to accommodate a wheelchair.
 - If your polling place is not handicapped accessible you may vote on election day at our Clayton office which is on ground level and has reserved parking.
 - If you would like to use your own polling place but are not able to leave your car, a bi-partisan team of election officials will be happy to bring a vote recorder and ballot to you.
 - If you furnish us with a letter from your doctor stating that you are *Permanently Disabled*, you will not be required to have your affidavit envelope notarized when you mail in your absentee ballot.
- *Remember, you must be registered by the 3rd Wednesday prior to an election in order to vote in an election.*
