# VOTER '88 MATERIALS

## **Voter Registration Applications:**

The voter registration application measures 4x6, and is postage-paid by the State of Texas. These are available at no charge.

## **Voter Registration Poster:**

Available in both English and Spanish, displays the Voter '88 logo, lists information such as the last day to register to vote, and lists the Secretary of State's toll-free number (1-800-252-VOTE (8683)). Both posters measure 11x17. We recommend that you place these in a prominent area, such as a store front window or reception area.

## **Display Box:**

Allows you to display 500 voter registration applications in a professional manner. Assembled, the box measures 4 1/2 by 8 1/2. The box is mailed to you flat, with assembly instructions.

## **Brochures**

### **Voter Registration in Texas:**

This brochure is a very useful guide to your voter registration coordinator. The brochure outlines the qualifications for voting, persons entitled to vote, how to register to vote, and the process by which a voter's application is processed once received by the local voter registrar.

### **Volunteer Deputy Registrar's Guide:**

This brochure explains how you can qualify an employee as a Volunteer Deputy Registrar so they can accept voter registration applications directly.
