Dear Voter:

Above is your new Voter Registration Card. Please check the information contained on it.

If all information is accurate, detach and keep the card for your personal records.

If any information is incorrect, please make the necessary corrections on the back of the card, sign it, and return it to the Registrar in person or by mail. A new card reflecting your corrections will be mailed to you.

**For all elections,
polls open at
6:00 a.m. and
close at 7:00
p.m.**

To remain a qualified voter, the law requires you to notify the General Registrar of any change in your name or address. This must be done before the registration books close for the next election.

If your name or address changes, print or type the new information in the space provided to your right on this card, **sign the card**, and return it to your Voter Registration Office.

Changes cannot be made during the 30 day period before any general or primary election. If you moved out of the precinct in which you are registered before the last November general election, you may not return to vote in your former precinct.

This card will help Officers of Election identify you on registration lists and enter your name in pollbooks more quickly. It is, however, not evidence of your qualification to vote and you are not required to present it when voting.
