Vacancies which occur during this ten (10) day period because of the death, disqualification for any reason, or withdrawal from the nomination process by the candidate shall be filled according to the provisions of section 34-715, Idaho Code.

(3) Vacancies that occur in a slate of candidates for precinct committeeman within ten (10) days prior to the primary election shall not be filled. (History: S.L. 1970, Ch. 140; S.L. 1971, 1st E.S., Ch. 9; S.L. 1975, Ch. 21; S.L. 1976, Ch. 60; S.L. 1989, Ch. 70)

34-715. Filling of vacancies occurring before or after primary election. Vacancies that occur during the ten (10) day period before a primary election or after the primary election but at least ten (10) days before the general election in the slate of candidates of any political party, except candidates for precinct committeeman, shall be filled in the following manner:

(2) If a candidate for judicial office has received a majority of the votes cast for the office at the primary election, he shall be deemed elected as provided by section 34-1217, Idaho Code. Thereafter, if the judge-elect dies, moves from the state, or otherwise becomes ineligible to serve in the judicial office, the secretary of state shall declare that a vacancy exists in the judicial office, but that no other candidate for the office will be offered at the general election. The vacancy shall be filled as provided by law, as if the judge-elect had already assumed office.

(3) If three (3) or more candidates sought a judicial office at the primary election, and no candidate for the judicial office received a majority of the votes cast for the office at the primary election, and either of the candidates certified to be a nominee at the general election dies, moves from the state, or otherwise becomes ineligible to serve in the judicial office, the secretary of state shall cause the name or names of the candidate or candidates receiving the next highest number of votes cast at the primary election after the two (2) candidates certified, to be certified as nominees for the judicial office at the general election, so that two (2) candidates shall be offered for each judicial office to be filled. In the event only one (1) vacancy on the general election ballot is to be filled by the procedure outlined in this subsection, and there exists a tie among two (2) or more judicial candidates receiving the next highest number of votes, such candidates, or their personal designees, shall meet in the office of the secretary of state at a time fixed by him upon ten (10) days written notice to such interested candidates, or their designees, and a candidate to fill each such vacancy on the general election ballot shall be selected by lot from the candidates receiving the same number of votes at the primary election. The secretary of state shall cause the name of the persons so selected to appear on the general election ballot. (History: S.L. 1970, Ch. 140; S.L. 1972, Ch. 333)

34-731. Presidential preference vote. In years in which a president of the United States is to be nominated and elected, a presidential preference primary shall be held at which voters shall express their choice for candidates for nominations for

president. The presidential preference primary shall be held in conjunction with the primary election, on the fourth Tuesday in May of each presidential year. (History: S.L. 1975, Ch. 174; S.L. 1979, Ch. 309)

34-732. Selection of candidates for nomination in presidential primary.

Each qualified elector shall have the opportunity to vote on the official presidential preference primary ballot for one (1) person to be the candidate for nomination by a party for president of the United States. The name of any candidate for a political party nomination for president of the United States shall be printed on the ballots only:

(1) If the secretary of state shall have determined, in his sole discretion, that the person's candidacy is generally advocated or recognized in national news media throughout the United States. For the purpose of promoting the aspect of a regional primary in this regard, the secretary of state may consult with the chief election officers of neighboring states which conduct a presidential primary election on the fourth Tuesday in May. The secretary of state shall publish the names of such persons determined by him to be such candidates, together with their party affiliation, not less than sixty (60) days prior to the date of the presidential preference primary.

(2) If a petition for nomination meeting the requirements of subsection 3 of this section is filed with the secretary of state by members of a political party to which the candidate belongs.

(3) The petition referred to in subsection (2) hereof shall:

- (b) Be filed with the secretary of state not later than thirty (30) days prior to the date of the presidential preference primary;
- (c) The format of the signature petition sheets shall be prescribed by the secretary of state and shall be patterned after, but not limited to, such sheets as used for state initiative and referendum measures;
- (d) The petitions and signatures so submitted shall be verified in the manner prescribed in section 34-1807, Idaho Code. (History: S.L. 1975, Ch. 174)

34-733. Notification to candidates — No affidavit of candidacy required.

The secretary of state shall forthwith notify each person whom he has nominated and each such person nominated by petition in writing by registered mail that such person's name will be printed as a candidate on the Idaho presidential preference primary ballot. In the event the secretary of state is informed of a candidate's death or incapacity, or withdrawal from the nomination, the secretary of state may, in his sole discretion, remove the name of such nominated candidate from the ballot, but not later than thirty (30) days prior to said election. No declaration of candidacy or affidavit of candidacy shall be required of any candidate as a condition for printing the name of that candidate on the official ballot used in the presidential preference primary. (History: S.L. 1975, Ch. 174; S.L. 1983, Ch. 213)

34-734. Voting in presidential primary. At a presidential preference primary, qualified electors may vote for candidates for nomination for president of the United States from among the candidates of one (1) political party only. The elector shall be able to cast his ballot for one (1) of the presidential candidates of his party, or for "none of the names shown." A vote of the latter kind shall express the preference for an uncommitted delegation from Idaho to the national convention of that elector's party. (History: S.L. 1975, Ch. 174)

34-735. Candidate's list of proposed delegates to national convention. No later than ten (10) days prior to the presidential primary election, each candidate for nomination by a party for president, or a designated representative of such candidate, shall file with the secretary of state a list of names and addresses of persons proposed by that candidate to be delegates to the national convention of the party of that candidate. The number of names set forth on such list of proposed delegates shall be equal to the number of delegates and alternates to the national party convention as are allotted to Idaho for that year by the national committee of that party. No person's name shall be placed on such a list of proposed delegates unless that person has attained the age of eighteen (18) years at the time said delegates' list is filed, is a citizen of the United States, is a qualified elector of the state of Idaho, and shall have resided in the state of Idaho for at least one (1) year next preceding filing of said list. The qualifications of each person, whose name appears on such list of proposed delegates, shall be verified by an affidavit of the candidate, or a representative of the candidate, and said affidavit shall be attached to said list so filed. The form of said affidavit shall be determined by the secretary of state. (History: S.L. 1975, Ch. 174)

34-736. Delegates to national convention. (1) Upon completion of the state canvass of the results of the presidential primary, the secretary of state shall certify to the state chairman of each political party participating in the presidential primary the number of votes received by each candidate of that party and the number of votes for an uncommitted delegation received by that party.

(2) Each political party shall then select as many delegates and alternates to the national party convention as are allotted to it by the national committee of that party, according to the provisions of the following subsections of this section.

(3) Eighty per cent (80%) of such delegates and eighty per cent (80%) of such alternates to a national party convention shall be selected by a party at its state convention, or as the party rules otherwise provide, from among:

- (a) The persons named on the lists of proposed delegates to the national conventions filed with the secretary of state by that party's respective candidates for nomination by the party for president of the United States; and
- (b) The persons selected by that party at its state convention, or as the party rules otherwise provide, to comprise any uncommitted delegation.

(4) The number of delegates and the number of alternates selected by a party from a candidate's list of proposed delegates, or selected by that party to comprise any uncommitted delegation, shall bear the same proportion to eighty per cent (80%) of the total number of delegates and alternates allotted to such party as the total vote received by such candidate or uncommitted delegation bears to the total combined vote cast in

said primary election for all candidates and uncommitted delegation, if any, receiving more than five per cent (5%) of the votes cast for that party. Upon determination of the number of delegates and alternates that shall be selected from each candidate's list of proposed delegates and that shall be selected to comprise an uncommitted delegation, if any, the party shall then select delegates and alternates to that party's national convention in that respective number from each such list and to comprise the uncommitted delegation, if any. The delegates and alternates comprising any such uncommitted delegation shall be selected as the party rules determine.

(5) Twenty per cent (20%) of the delegates and twenty per cent (20%) of the alternates to a national party convention as are allotted to a party by the national committee of that party shall be selected as delegates and alternates to the national convention of that party as the party rules may determine.

(6) In the event a candidate in the presidential preference primary fails to file with the secretary of state a list of proposed delegates to his party's national convention, or to the extent that such list of proposed delegates provided by such candidate fails to name a sufficient number of persons qualified for the office of delegate, such number of delegates and alternates, as would be selected from said candidate's list of proposed delegates according to the election results, shall be selected by the party as delegates and alternates to that party's national convention, as the party rules may determine.

(7) When selecting a delegate or an alternate from a candidate's list of proposed delegates, as provided for in this section, the party shall have the authority to select any qualified person on that list for the office of such delegate or alternate.

(8) In calculating the apportionment of delegate votes in conjunction with the selection of delegates and alternates, as provided for in this section, such proportions of delegate votes shall be expressed as decimal-fractional votes or the nearest whole number of delegate votes as the rules of the particular national party or convention may provide.

(9) There shall be no unit rule applied to or by the delegation of any party to that party's national convention. No party or delegation shall commit or instruct delegates and alternates selected from that party's candidates' lists of proposed delegates or selected as uncommitted delegates and alternates. Other delegates and alternates may be committed and/or instructed as the party rules may provide. (History: S.L. 1975, Ch. 174)

34-737. Uncommitted delegates. The word "uncommitted" as applied to a delegate or an alternate in this act means that such delegate or alternate is not committed or bound to any one candidate at his party's national convention, and that he is free to vote his conscience at such convention. (History: S.L. 1975, Ch. 174)

34-738. Conduct of election. Insofar as practicable, and where the provisions of this act do not specifically indicate otherwise, the presidential preference primary election shall be conducted and canvassed in the manner provided by law for the conduct and canvassing of state primary elections. (History: S.L. 1975, Ch. 174)

34-739. Costs of presidential preference primary notice and ballots. When-

ever a presidential preference primary election is held as provided by this act, the state of Idaho shall assume all costs of publication of legal notice and ballot preparation for the presidential preference primary. The county clerk shall determine the legal notice and ballot preparation costs and shall file a certified claim therefor which shall be examined, allowed and paid as other claims against the state are paid. (History: S.L. 1975, Ch. 174; S.L. 1979, Ch. 309)

34-740. Rules and regulations. The secretary of state as chief election officer may adopt such rules and regulations as are necessary to facilitate the operation, accomplishment and purpose of this act. (History: S.L. 1975, Ch. 174)

The board of county commissioners shall authorize the printing of ballots in the same manner for special elections when such special election is ordered by the governor or provided by law.

The board of county commissioners shall also provide a suitable number of ballot boxes for each polling place within the county, and shall have complete authority to determine the specifications for such ballot boxes. (History: S.L. 1970, Ch. 140; S.L. 1975, Ch. 174; S.L. 1979, Ch. 309)

34-903. Secretary of state to prescribe form and contents of all ballots and related documents. Each political ticket shall be separated from the others by a perforated line that will enable the elector to detach the ticket of the political party voted from those remaining. All candidates who have filed their declarations of candidacy and are subsequently certified shall be listed under the proper office titles on their political party ticket. The secretary of state shall design the primary election ballot to allow for write-in candidates under each office title.

The office titles shall be listed in order beginning with the highest federal office and ending with precinct offices. The secretary of state has the discretion and authority to arrange the classifications of offices as provided by law.

It is not necessary to print a primary ballot for a political party which does not have candidates for more than half of the federal or statewide offices on the ballot if no more than one (1) candidate files for nomination by that party for any of the offices on the ballot. The secretary of state shall certify that no primary election is necessary for that party if such is the case and shall certify to the county clerk the names of candidates for that party for the general election ballot only. (History: S.L. 1970, Ch. 140; S.L. 1971, Ch. 189; S.L. 1972, Ch. 130; S.L. 1983, Ch. 213)

The voter shall mark his ballot with a cross (X) or other mark sufficient to show his intent in the place provided after the name of the candidate for whom he intends to vote for each office.

If a person votes by writing the name of a candidate on the ballot, such act shall constitute a vote for the person's name who appears without the necessity of placing a mark after the name written on the ballot, unless such a mark is required by a vote tally system. (History: S.L. 1970, Ch. 140; S.L. 1988, Ch. 293)

34-909. General election sample ballots forwarded to counties by secretary of state. The secretary of state, not later than September 7, shall prepare the necessary general election sample ballots for the various counties and forward them to the several county clerks. The application shall be filed with the county clerk not later than 5:00 P.M. on the day before the election. In the event a registered elector is unable to vote in person at his designated polling place on the day of election because of an emergency situation which rendered him physically unable, he may nevertheless apply for an absent elector's ballot on the day of election by notifying the county clerk. No person, may, however, be entitled to vote under an emergency situation unless the situation claimed rendered him physically unable to vote at his designated polling place within forty-eight (48) hours prior to the closing of the polls.

A person in the United States service may make application for an absent elector's ballot by use of a properly executed federal post card application as provided for in the laws of the United States known as "Federal Voting Assistance Act of 1955." A properly executed federal postcard application (F.P.C.A.), if received prior to the primary election, shall be considered as a request for an absent elector's ballot for both the primary and general election. The issuing officer shall keep as a part of the records of his office a list of all applications so received and of the manner and time of delivery or mailing to and receipt of returned ballot. (History: S.L. 1970, Ch. 140; S.L. 1972, Ch. 157; S.L. 1973, Ch. 304; S.L. 1976, Ch. 353; S.L. 1987, Ch. 167)

34-1002A. Classifications for absent elector's ballot. For the purpose of issuing absent elector's ballot, the county clerk shall determine under which of the following subsections the applicant should be classified.

(2) A person in the United States service.

(3) A person who expects to be out of the county or state on day of election who is not physically disabled.

(6) A person registered according to the provisions of section 34-410A, Idaho Code. (History: S.L. 1973, Ch. 304; S.L. 1976, Ch. 353)

34-1003. Issuance of absentee ballot. Upon receipt of an application for an absent elector's ballot within the proper time, the county clerk receiving it shall examine the records of his office to ascertain whether or not such applicant is registered and lawfully entitled to vote as requested and, if found to be so, he shall arrange for the

applicant to vote by absent elector's ballot in the following manner:

(1) If the applicant is classed under section 34-1002A(1), Idaho Code, the clerk shall deliver to the applicant by mail to the mailing address given in the application, an official absent elector's ballot, a return envelope with the affidavit thereon properly filled in as to precinct and residence address as shown by the records in his office, and an instruction card.

(2) If the applicant is classed under section 34-1002A(2), Idaho Code, and if the applicant in the United States service submits a properly executed federal post card application and the county clerk receiving it shall determine that such applicant is not properly registered, the county clerk shall cause the applicant to be registered and shall then deliver to the applicant the official elector's ballot and other materials as above set forth.

(3) If the applicant is classed under section 34-1002A(3), Idaho Code, the county clerk shall forthwith notify the applicant that he shall appear personally and vote at the "absent elector's voting place" in the county courthouse during the time prescribed.

(4) In the case of applicants classified under subsections (1) and (2) of this section, the absent elector's ballot and other materials shall be delivered or mailed to the absent elector within forty-eight (48) hours after the receipt of the application, if the official ballots are then printed, or, if not then printed, within forty-eight (48) hours after such printed ballots shall be delivered to the county clerk. All absentee ballots for the general election shall be printed no later than fifty (50) days prior to the election.

(5) If the applicant is classed under section 34-1002A(4), Idaho Code, the county clerk shall forthwith notify the applicant by setting forth the time and place at which the county clerk or deputy clerk and witnesses shall personally deliver the absentee ballot. Each political party which desires to have a witness accompany the clerk or deputy clerk shall supply the county clerk with the name of its county chairman or an alternate who may be delegated to act on behalf of said political party no later than sixty (60) days prior to the election.

The clerk, upon receiving an application under section 34-1002A(5), Idaho Code, shall notify the county chairman of each political party or the person authorized to act for the party, of the date and approximate hour the clerk or deputy clerk intends to deliver the ballot.

If the political party desires to supply a witness, it shall be the party's duty to supply the names of witnesses and it shall have the duty to see that said witness is present at the appointed time. If the clerk so requests, a witness may be required to be available throughout the business day on which the ballot is to be delivered. Should the witness so designated fail to appear or if the political party does not desire to have a witness present, the clerk may proceed as prescribed by law, without further compliance with subsection (5) of this section.

A candidate for public office or a spouse of a candidate for public office shall not sign as a witness or as a deputy clerk in the personal delivery of absentee ballots under section 34-1002A(5), Idaho Code.

marking an absent elector's ballot, the officer shall ascertain the desires of the elector and shall vote the applicant's ballot accordingly. When such ballot is marked by an election officer, the witnesses on hand shall be allowed to observe such marking. No county clerk, deputy, or other person assisting a disabled voter shall attempt to influence the vote of such elector in any manner. (History: S.L. 1970, Ch. 140; S.L. 1973, Ch. 304; S.L. 1975, Ch. 66; S.L. 1984, Ch. 131)

The ballot envelopes must then be deposited in the return envelope and sealed securely.

The elector shall then execute an affidavit on the back of the return envelope in the form prescribed, provided however, that such affidavit need not be notarized. (History: S.L. 1970, Ch. 140)

The ballot envelope shall not be opened until the ballots are counted. (History: S.L. 1970, Ch. 140)

34-1009. Challenging absentee elector's vote. The vote of any absent elector may be challenged in the same manner as other votes are challenged and the receiving judges shall have power and authority to determine the legality of such ballot. If the challenge be sustained, or if the receiving judges determine, that the affidavit accompanying the absent elector's ballot is insufficient, or that the elector is not a qualified registered elector the envelope containing the ballot of such elector shall not be opened and the judges shall endorse on the back of the envelope the reason therefor. Whenever it shall be made to appear to the receiving judges by sufficient proof that any elector who has marked and forwarded his ballot has died, then the envelope containing the ballot of such deceased elector shall not be opened and the judges shall make proper notation on the back of such envelope. (3) Upon opening the polls, one (1) of the judges shall make the proclamation of the same and thirty (30) minutes before closing the polls a proclamation shall be made in the same manner. Any elector who is in line at 8:00 P.M. shall be allowed to vote notwithstanding the pronouncement that the polls are closed. (History: S.L. 1970, Ch. 140; S.L. 1972, Ch. 349; S.L. 1973, Ch. 304)

34-1102. Changing polling place — Proclamation and notice. Whenever it shall become impossible or inconvenient to hold an election at the place designated therefor, the judges of election, after assembling and before receiving any vote, may adjourn to the nearest convenient place for holding the election, and at such adjourned place forthwith proceed with the election and the county clerk shall be notified of the change.

Upon adjourning any election, the judges shall cause proclamation thereof to be made, and shall post a notice upon the place where the adjournment was made from notifying electors of the change of polling place. (History: S.L. 1970, Ch. 140)

34-1103. Opening ballot boxes. In the presence of bystanders the judges of elections shall break the sealed packages of election ballots, official stamp and other supplies.

Before receiving any ballots the judges shall open and exhibit, close and lock the ballot boxes, and thereafter they shall not be removed from the polling place until all ballots are counted. They shall not be opened until the polls are closed unless the precinct is using a duplicate set of ballot boxes. (History: S.L. 1970, Ch. 140)

The judges of election may appoint some capable person to act as election constable during the election, and he shall have the power to make arrests for disturbance of the peace, as provided by law for constables, and he shall allow no one within the voting area except those who go to vote, and shall allow

but one (1) elector in a compartment at one(1) time. He shall remain and keep order at the polling place until all of the votes are tallied. (History: S.L. 1970, Ch. 140)

(2) Before receiving his ballot, each elector shall sign his name in the combination election record and poll book following his name therein.

(3) No person shall knowingly sign his name in the combination election record and poll book if his residence address is not within that precinct at the time of signing.

(4) If the residence address of a person contained in the combination election record and poll book is incorrectly given due to an error in preparation of the combination election record and poll book, the judge shall ascertain the correct address and make the necessary correction.

(5) The elector shall then be given the appropriate ballots which have been stamped with the official election stamp and shall be given folding instructions for such ballots. (History: S.L. 1970, Ch. 140, S.L. 1972, Ch. 349)

34-1107. Manner of voting. On receipt of his ballot the elector shall retire to a vacant voting booth and mark his ballot according to the instructions provided by law. The elector shall hand his ballot to the election judge. The judge shall deposit the ballot in the proper box after ascertaining that the ballot is folded correctly. (1) If any registered elector is unable, due to physical disability or other handicap, to enter the polling place, he may be handed a ballot outside the polling place but within forty (40) feet thereof by one (1) of the election clerks, and in his presence but in a secret manner, mark and return the same to such election officer who shall proceed as provided by law to record the ballot.

(2) If any registered elector, who is unable by reason of physical disability or other handicap to record his vote by personally marking his ballot and who desires to vote, then and in that case such elector shall be given assistance by the person of his choice or by one (1) of the election clerks. Such clerk or selected person shall mark the ballot in the manner directed by the elector and fold it properly and present it to the elector before leaving the voting compartment or area provided for such purpose. The elector shall then present it to the judge of election in the manner provided above. (History: S.L. 1970, Ch. 140; S.L. 1972, Ch. 349; S.L. 1978, Ch. 37)

34-1109. Spoiled ballots. No person shall take or remove any ballot from the polling place. If an elector inadvertently or by mistake spoils a ballot, he shall return it folded to the distributing clerk, who shall give him another ballot. The ballot thus returned shall, without examination, be immediately canceled by writing across the back, or outside of the ballot as folded, the words "spoiled ballot, another issued," and deposit the spoiled ballot in a box provided for that purpose. (History: S.L. 1970, Ch. 140)

34-1110. Officers not to divulge information. No judge or clerk shall communicate to anyone any information as to the name or number on the registry list of any elector who has not applied for a ballot, or who has not voted at the polling place; and no judge, clerk or other person whomsoever, shall interfere with, or attempt to interfere with, a voter when marking his ballot. No judge, clerk or other person shall, directly or indirectly, attempt to induce any voter to display his ticket after he shall have marked the same, or to make known to any person the name of any candidate for or against whom he may have voted. (History: S.L. 1970, Ch. 140)

34-1111. Challenging voters. In case any person offering to vote is challenged one (1) of the judges must declare the qualifications of an elector to such person. If the person so challenged then declares himself duly qualified, and the challenge is not withdrawn, one (1) of the judges shall then tender him the elector's oath, as prescribed by the secretary of state. No challenged elector shall have the right to vote until he has subscribed to the elector's oath. Upon a challenged elector's subscribing the elector's oath, he shall be entitled to vote. (History: S.L. 1970, Ch. 140)

34-1112. Handbook of elector's qualifications. The secretary of state shall prepare a handbook which sets forth the qualifications of an elector which shall aid the judges of election to determine whether a person is qualified to vote at the election.

(2) If the precinct has duplicate ballot boxes, the counting shall begin after five (5) ballots have been cast. At this time, the additional clerks shall close the first ballot box and retire to the counting area and count the ballots. Upon completion of this counting the clerks shall return the ballot box and then proceed to count all of the ballots cast in the second box during this period. This counting shall continue until the polls are closed at which time all election personnel shall complete the counting of the

ballots. (History: S.L. 1970, Ch. 140)

34-1202. Comparison of poll lists, ballots and registration cards — Void ballots. The counting must commence by comparison of the marked registration cards and the poll lists from the commencement, and a correction of any mistake that may be found therein, until they are found to agree. This box shall then be opened and the ballots found therein counted by the judges, unopened and the number of ballots in the box must agree with the number marked in the poll book or election register as having received a ballot, and this number, together with the number of spoiled ballots, must agree with the number of stubs or counterfoils in the books from which the ballots have been taken. If the number of ballots issued does not agree with the number of stubs or counterfoils, the election judges shall have authority to make any decision to correct the situation; but this shall not be construed to allow the judges to void all ballots cast at that polling place.

When duplicate ballot boxes are used in a precinct, the duties herein prescribed shall be done after all of the votes have been tallied. (History: S.L. 1970, Ch. 140)

It is hereby declared that any qualified elector casting such ballot or part of a ballot shall be deemed not to have voted at or participated in such bond election and such ballot or part of a ballot shall not be counted in determining the number of qualified electors voting at or participating in such bond election. (History: S.L. 1978, Ch. 51)

34-1203. Counting of ballots — Certificates of judges. The ballots and polls lists agreeing, the election personnel shall then proceed to tally the votes cast. Under each office title the number of votes for each candidate and such other information required by the secretary of state shall be entered in the tally books together with the total of the above figures in the manner prescribed by the secretary of state. Any ballot or part of a ballot from which it is impossible to determine the elector's choice, shall be void and shall not be counted. When a ballot is sufficiently plain to determine therefrom a part of the voter's intention, it shall be the duty of the judges to count such part.

Following the counting, the judges must post a correct copy of such results at the polling place and a copy transmitted to the county clerk.

In no event shall the results of any count be released to the public until all voting places in the state have closed on election day. (History: S.L. 1970, Ch. 140; S.L. 1981, Ch. 109)

In the event no candidate receives the minimum number of votes required to be elected, a vacancy in the office shall exist and shall be filled as otherwise provided by law. The county clerk shall also certify by registered mail the results of both the primary and the presidential primary elections to the secretary of state. The form for such certificate shall be prescribed by the secretary of state and be uniform throughout the state. (History: S.L. 1970, Ch. 140; S.L. 1975, Ch. 174; S.L. 1977, Ch. 17; S.L. 1979, Ch. 309; S.L. 1991, Ch. 117)

The candidates so certified shall have their names placed on the general election ballot. If it appears from the canvass that a particular candidate has received a majority of the total vote cast for the particular office, he shall be issued a certificate of election instead of a certificate of nomination and no candidates shall run for the particular office in the general election. Notwithstanding any provision to the contrary, the election official of each political subdivision shall administer all elections on behalf of any political subdivision, subject to the provisions of this chapter, including all municipal elections, special district elections, and elections of special questions submitted to the electors as provided in this chapter. School districts governed by title 33, Idaho Code, and water districts governed by chapter 6, title 42, Idaho Code, irrigation districts governed by title 43, Idaho Code, are exempt from the provisions of this chapter. For the purposes of achieving uniformity, the secretary of state shall, from time to time, provide directives and instructions to the various county clerks and political subdivision election officials. Unless a specific exception is provided in this chapter, the provisions of this chapter shall govern in all questions regarding the conduct of elections on behalf of all political subdivisions. In all matters not specifically covered by this chapter, other provisions of title 34, Idaho Code, governing election shall prevail over any special provision which conflicts therewith.

A political subdivision may contract with the county clerk to conduct the elections for that political subdivision. In the event of such contract, the county clerk shall perform all necessary duties of the election official of a political subdivision including, but not limited to, notice of the filing deadline, notice of the election, and preparation of the election calendar. (History: S.L. 1992, Ch. 176)

The county clerk shall determine, for each registered elector, the elections for which he is eligible to vote by a determination of the applicable code areas. The

register of electors shall be maintained by the clerk in a manner which will make this information readily available to the electors and to the election officials of the various political subdivisions. The determination of tax code area shall be made for all political subdivisions including those otherwise exempt from the provisions of this chapter.

The county clerk shall conform to the provisions of chapter 4, title 34, Idaho Code, in the administration of registration for all political subdivisions within the county. The county clerk shall appoint each city clerk for any city within the county and each election official designated by a political subdivision, as an at-large registrar as provided in section 34-406, Idaho Code, except that no compensation shall be paid by the county clerk for electors registered by these special registrars. (History: S.L. 1992, Ch. 176)

34-1403. Conduct of elections. All elections conducted in this state on behalf of each political subdivision within the county shall be conducted in a uniform manner with regard to the qualifications of electors and shall be conducted on the dates as provided by law. In the event that a statute governing a political subdivision provides for qualifications more restrictive than the qualifications for an elector in section 34-412, Idaho Code, the election official of the district shall provide an elector's oath to be executed at the time of the election certifying to the elector's qualifications for the specific election. (History: S.L. 1992, Ch. 176)

34-1404. Declaration of candidacy. Candidates for election in any political subdivision shall be nominated by nominating petitions, each of which shall bear the name of the nominee, the office for which the nomination is made, the term for which nomination is made, bear the signatures of not less than five (5) electors of the political subdivision, and be filed with the election official of the political subdivision. In making such ballot title the attorney general shall to the best of his ability give a true and impartial statement of the purpose of the measure and in such language that the ballot title shall not be intentionally an argument or likely to create prejudice either for or against the measure. Any person who is dissatisfied with the ballot title or the short title provided by the attorney general for any measure, may appeal from his decision to the Supreme Court by petition, praying for a different title and setting forth the reason why the title prepared by the attorney general is insufficient or unfair. CHAPTER 20—ELECTION CONTESTS OTHER THAN LEGISLATIVE AND STATE EXECUTIVE OFFICES

34-2001. Grounds of contest. The election of any person to any public office, the location or relocation of a county seat, or any proposition submitted to a vote of the people may be contested:

1. For malconduct, fraud, or corruption on the part of the judges of election in any precinct, township or ward, or of any board of canvassers, or any member of either board sufficient to change the result.

2. When the incumbent was not eligible to the office at the time of the election.

3. When the incumbent has been convicted of felony, unless at the time of the election he shall have been restored to civil rights.

4. When the incumbent has given or offered to any elector, or any judge, clerk or canvasser of the election, any bribe or reward in money or property for the purpose of procuring his election, or has committed any violation as set out in chapter 23, title 18, Idaho Code.

5. When illegal votes have been received or legal votes rejected at the polls sufficient to change the result.

6. For any error in any board of canvassers in counting votes or in declaring the result of the election, if the error would change the result.

7. When the incumbent is in default as a collector and custodian of public money or property.

8. For any cause which shows that another person was legally elected. (History: 1890-1981, p. 57, section 132; reen. 1899, p. 33, section 119; reen. R.C. & C.L., section 5026; C.S., section 7274; I.C.A., section 33-1701; S.L. 1982, Ch. 209)

Any such contest shall be regarded as one contesting the outcome of the vote on the bond or mill levy proposition, rather than election to office, and the public entity calling the election rather than a person declared to have been elected to office, shall be regarded as the defendant.

B. When the validity of any bond or mill levy election is contested upon any of the grounds enumerated in section 34-2001, Idaho Code, or upon any other grounds whatsoever the plaintiff or plaintiffs must, within forty (40) days after the votes are canvassed and the results thereof declared, file in the proper court a verified written complaint setting forth, in addition to the other requirements of this chapter, the following:

(1) The name of the party contesting the bond or mill levy election, and that he is an elector of the public entity conducting the bond or mill levy election.

(2) The proposition or propositions voted on at the election which are contested.

(3) The particular grounds of such contest.

C. No such election contest shall be maintained and no bond or mill levy election shall be set aside or held invalid unless a complaint is filed as permitted hereunder within the period prescribed in this section. As to bond or mill levy elections which have been held prior to the effective date of this act, no such contest shall be maintained wherein it is alleged that the election should be set aside or held on any ground enumerated in section 34-2001, Idaho Code, or on any other ground, unless such election contest be filed as herein provided within forty (40) days from and after the effective date of this act.

D. All bond elections conducted by cities, counties, school districts and water and sewer districts prior to the effective date of this act, and all proceedings had in the authorization and issuance of the bonds authorized thereat, are hereby validated, ratified and confirmed and all such bonds are declared to constitute legally binding obligations in accordance with their terms. Nothing in this section shall be construed to affect or validate any bond election, or bonds issued pursuant thereto, the legality of which is being contested at the time this act takes effect, or any election the legality of which is contested within the forty (40) day period from and after the effective date of this act. Upon final adjournment the journal shall be certified to by the president and secretary of the convention and be filed with the secretary of state. (History: 1933, Ch. 179, section 10, p. 328)

34-2211. Certificate of ratification. If the convention shall agree, by a vote of a majority of the total number of delegates, to the ratification of the proposed amendment, a certificate to that effect shall be executed by the president and secretary of the convention and transmitted to the secretary of state of this state, who shall transmit the certificate under the great seal of the state to the secretary of state of the United States. (History: 1933, Ch. 179, section 11, p. 328)

(History: 1933, Ch. 179, section 12, p. 328)

34-2213. Expenses, how paid. All the expenses of the constitutional convention and the expenses allowed delegates thereto shall be allowed and paid by the state of Idaho in the same manner as other claims against the state are allowed and paid, and from such appropriations as are, or may be, available therefor. (History: 1933, Ch. 179, section 13, p. 328)

34-2214. Federal statute to control. If at or about the time of submitting any such amendment, Congress shall either in the resolution submitting the same or by statute, prescribe the manner in which the conventions shall be constituted, and shall not except from the provisions of such statute or resolution such states as may theretofore have provided for constituting such conventions, the preceding provisions of this act shall be inoperative, the convention shall be constituted and shall operate as the said resolution or Act of Congress shall direct, and all officers of the state who may

(History: 1933, Ch. 179, section 14, p. 328)

34-2215. Separability. If any part or parts of sections 34-2201—34-2216 shall be adjudged by the courts to be unconstitutional or invalid, the same shall not effect the validity of any part or parts thereof which can be given effect without the part or parts adjudged to be unconstitutional or invalid. The legislature hereby declares that it would have passed the remaining parts of sections 34-2201—34-2216 if it had been known that such other part or parts thereof would be declared to be unconstitutional or invalid. (History: 1933, Ch. 179, section 15, p. 328)

34-2216. Short title. This act, sections 34-2201—34-2216, may be cited as the “Constitutional Convention Act.” (History: 1933, Ch. 179, section 16, p. 328)

The results of such submission of the question to the electorate shall be advisory in nature only, and shall not prevent the legislature from acting in any manner on the proposed amendment. (History: S.L. 1975, Ch. 125; S.L. 1979, Ch. 249)

CHAPTER 23—RECOUNT OF BALLOTS

34-2301. Application for recount of ballots. Any candidate for federal, state or county office desiring a recount of the ballots cast in any nominating or general election may apply to the attorney general therefor, within twenty (20) days of the canvass of such election, by the state board of canvassers if for federal and state office, or within twenty (20) days of the canvass of such election by the county commissioners if for a county office. (History: S.L. 1957; Ch. 198; S.L. 1985, Ch. 41)

34-2302. Precincts specified for recount — Remittance. In his application he shall state the precinct or precincts in which he desires recount to be made and shall remit to the attorney general together with his application the sum of \$100.00 for each such precinct in which he desires a recount made. (History: S.L. 1957, Ch. 198)

34-2303. Ballots ordered impounded by attorney general. Upon receiving the application for recount together with the remittance required by the preceding section the attorney general shall cause all ballot boxes used in such election in the precinct or precincts in which recount is to be made to be immediately impounded and taken into custody by the sheriff of the county or counties in which precinct or precincts are located. In the event that the recount is of the results of a primary election the ballot

boxes used to hold the blank half of the ballot shall also be impounded. (History: S.L. 1957, Ch. 198)

34-2304. Order for recount — Procedure — Notice. The attorney general shall then issue an order for recount. The order shall name the prior election judges and clerks of the precinct to act in the same capacity and receive the same compensation as they did on election day. The order shall provide for the place where the recount is to be made; that all candidates named on the ballot for the office contested, or a representative of either or all of them, may be present to watch the counting; and that every other person interested may be present. The order shall state the date on which the recount is to be made which shall not be more than ten (10) days from the date of the order. Copies of the order shall be mailed to each candidate named on the ballot for the office to be recounted. (History: S.L. 1957, Ch. 198; S.L. 1985, Ch. 41)

34-2305. Manner of recounting. At the time and place fixed for recounting the ballots cast in any precinct all ballots shall be recounted in plain view of the candidates or their representatives, and if the recount is of a primary election the blank ballots shall be counted against the ballots that were voted. The recount shall commence at the time and place so ordered, and shall continue until the recount is finished and the results tabulated. The recount shall be conducted under the same conditions and in the same manner as the original count. The attorney general shall be the final authority concerning any question which arises during the recount. (History: S.L. 1957, Ch. 198; S.L. 1985, Ch. 41)

34-2306. Difference revealed by recount — Candidate relieved of costs. If the results of the recount indicate a difference which if projected across all the precincts of the office in question would change the result of the election in favor of the candidate requesting the recount, then the cost of such recount shall be borne by the county or state and the sums of money theretofore paid for the recount shall be returned to the candidate.

In order to be relieved of the costs of the recount, the candidate must request that at least twenty (20) precincts containing not less than five thousand (5,000) votes cast be recounted if for a federal or state office, or five (5) precincts containing not less than one thousand two hundred fifty (1,250) votes cast be recounted for a state legislative district office, or two (2) precincts having not less than five hundred (500) votes cast be recounted for a county office. (History: S.L. 1957, Ch. 198; S.L. 1985, Ch. 41)

34-2307. When general recount ordered. If the candidate who requested the recount is relieved of the costs of the recount as described in section 34-2306, Idaho Code, the attorney general shall require a recount to be made in all the remaining precincts of the office in question. The state shall pay for a general recount of a federal, state, or legislative district office, while the county shall pay for a general recount of a county office. (History: S.L. 1957, Ch. 198; S.L. 1985, Ch. 41)

34-2308. Candidate disagreeing with recount results — Appeal. Any candidate for the office for which recount has been requested disagreeing with the

results of the recount and alleging that the law has been misinterpreted or misapplied, and if it appear that different application or interpretation of the law would have required a general recount where no general recount was ordered or would not have required a general recount where a general recount was ordered then the candidate claiming the misinterpretation or the misapplication of law may appeal to the district court in the county concerned if the office be a county office or to the district court in Ada county if the office be a federal or state office. The submittal on appeal shall be by brief and submitted within twenty-four (24) hours following the recount. A decision thereon shall be given within five (5) days. Any appeal from the decision of the district court must be taken within twenty-four (24) hours after a decision is rendered. A decision on the appeal shall be given within five (5) days. No further appeal shall be allowed. (History: S.L. 1957, Ch. 198; S.L. 1985, Ch. 41)

34-2309. Automatic recount. A losing candidate for nomination, or election to a federal, state, or county office may request a recount of the votes cast for the nomination or election to that office if the difference between the vote cast for that candidate and for the winning candidate for nomination or election is less than or equal to one-tenth of one percent (0.1%) of the total votes cast for that office. All requests shall be in writing, and filed with the attorney general during the time mentioned in section 34-2301, Idaho Code.

The state shall pay for the automatic recount of a federal, state, or legislative district office, while the county shall pay for the automatic recount of a county office. (History: S.L. 1957, Ch. 198; S.L. 1985, Ch. 41; S.L. 1986, Ch. 97)

34-2310. "Costs" defined. As used in this chapter, costs of recount shall include the following:

- (1) Travel costs of the office of the attorney general including meals and lodging.
- (2) Normal hourly rate for election judges and clerks who are not employees of the county.
- (3) Mileage for election judges who are not employees of the county.

(2) The secretary of state shall prescribe rules and regulations to achieve and maintain the maximum degree of correctness, impartiality and efficiency on the

procedures of voting, and of counting, tabulating and recording votes, by the devices, machines or vote tally systems and methods provided by this act. (History: S.L. 1970, Ch. 140)

(2) For the purpose of giving such instruction, the county clerk shall call the meeting or meetings of the election board that are necessary. Each election board shall attend the meetings and receive the instruction necessary for the proper conduct of the election with the machine or vote tally system.

(3) No election board judge or clerk shall serve in any election at which a voting machine or vote tally system is used unless he has received the required instruction and is fully qualified to perform the duties in connection with the machine or vote tally system; but this requirement shall not prevent the appointment of an election board clerk to fill a vacancy in an emergency. (History: S.L. 1970, Ch. 140)

34-2414. Printed matter and supplies. (1) The election officer charged with the duty of providing ballots shall provide all necessary instruction, forms and supplies required for the proper use of the voting machines or vote tally systems.

(2) Within a proper and reasonable time before the first election at which voting machines or vote tally systems are to be used, the secretary of state shall prepare samples of the printed matter and supplies required. (3) The county clerk or other election officer shall deliver voting machines to each election board as provided for election supplies. (History: S.L. 1970, Ch. 140)

34-2415. Preparation of polling place for election. (1) The election board of each election precinct in which a voting machine is to be used shall meet at the polling place for the election precinct at least thirty (30) minutes before the time set for opening the polls. Before preparing the machine for voting, the election board shall proceed as prescribed in subsection (2) of this section.

(2) The election board shall:

(a) Cause the voting machine to be placed where it can be conveniently attended by the election board and conveniently operated by the voters and where the ballot labels on the machines can be plainly seen by the election board and the public when not being voted on.

(b) Cause the model to be placed where each voter can conveniently operate it and receive instructions on the model as to the manner of voting before entering the voting machine booth.

(c) Determine that the ballot labels are in the proper place on the machine.

(3) After performing their duties as provided in this section, the election board shall certify to the fact in the appropriate places in the poll book. (History: S.L. 1970, Ch. 140)

34-2416. Procedure for preparing machines for an election. (1) In preparing a voting machine for an election, the county clerk or the clerk of the city, district or other political subdivision, as the case may be, shall:

(a) Arrange the machine and the ballot labels so that it shall in every particular case meet the requirements of voting and counting at such elections.

(b) Thoroughly inspect and test the machine, and file a certificate in his office that the ballot labels have been properly arranged.

(2) The arrangement of offices and names of candidates upon the ballot labels shall conform as nearly as practicable to the provisions of law for the arrangement of names on paper ballots, and in the event that there are more candidates for any office than can be placed upon one (1) page, the labels shall be clearly marked to indicate that the names of candidates for the office are continued on the following page.

(3) Representatives of political parties and candidates shall be permitted to examine the voting machines or vote tally systems. (History: S.L. 1970, Ch. 140)

At such times and places, one (1) representative of each political party is entitled to be present and see that the machines or vote tally systems are properly prepared and placed in proper condition and order for use at the election. In nonpartisan elections each candidate may designate one (1) representative who has

the same powers as the political party representatives. The political party and candidate representatives shall certify that they have witnessed the testing and preparation of the machines or vote tally systems. The certificates shall be filed in the office of the county clerk. (History: S.L. 1970, Ch. 140)

34-2418. Ballots and ballot labels. (1) The ballots and ballot labels required to be furnished for general or special elections shall be printed in black ink on clear white material of such size and arrangements as to suit the construction of the machine. The ballot labels for measures may contain a condensed statement of purpose for each measure to be voted on, accompanied by the words "Yes" and "No." The title of the offices on the ballot labels shall be printed in type as large as the space for the office will reasonably permit. Where more than one (1) candidate can be voted for an office, there shall be printed below the office title words indicating the number the voter is lawfully entitled to vote for out of the whole number of candidates, such as "Vote for Two."

(2) The ballots and ballot labels required to be furnished for primary elections shall be of different colors for the political parties who are nominating or electing candidates.

(3) The "judiciary ballot" may be added to the ballot labels for the political parties. Candidates for the above offices will be shown under the general title of nonpartisan judicial candidates.

(4) When a vote tally system is used, the county clerk shall prepare the ballots as nearly as practicable as required by law. (History: S.L. 1970, Ch. 140)

34-2419. Rotation of names of candidates. In each primary and general election when two (2) or more persons are candidates for nomination or election to the same office, the county clerk or the clerk of a city, district or other municipality in which voting machines or vote tally systems are used shall rotate the names of candidates as directed by the secretary of state. (History: S.L. 1970, Ch. 140)

34-2420. Examinations of face of machine during election. The election board shall occasionally examine the face of the voting machine and the ballot labels to determine that the machine and the ballot labels have not been damaged or tampered with. (History: S.L. 1970, Ch. 140)

34-2421. Procedure if a voting machine becomes inoperative. (1) If any voting machine used in any election precinct, during or before the time the polls are opened, becomes damaged so as to render it inoperative in whole or in part, an election board clerk immediately shall notify the election officer charged with the care of the machine.

(2) If possible, the election officer so notified shall repair the machine at once or substitute another machine for the damaged machine.

(3) If no other machine can be procured for use at the election and the damaged machine cannot be repaired in time for further use at the election, or where in the discretion of a majority of the members of the election board it is impracticable to use the machine, the election board shall permit the voters to use paper ballots prepared as

in cases where paper ballots are used. The paper ballots shall be furnished to the election board by the county clerk. The paper ballots shall be issued, voted and deposited in ballot boxes in as nearly the same manner as provided by law, except that the paper ballots shall not be tallied and returned by the election board. Instead, these paper ballots shall be delivered to the county clerk for his tally and canvass. (History: S.L. 1970, Ch. 140; S.L. 1971, Ch. 5)

34-2422. Closing of polls — Delivery of ballots to clerk before polls closed.

(1) At the hour for closing the polls, the election board shall declare the polls of the election closed and shall not permit any further voting. However, electors who are, at the hour of closing, within the polling room or awaiting their turn to vote shall be considered as having begun the act of voting and shall be permitted to cast their votes.

34-2423. Absent voting by voting machine or paper ballot. The county clerk may provide that absent voting shall be either by voting machine or by marking a paper ballot or a combination of both. In any of the foregoing cases he may establish one (1) absent elector unit to handle and process absent elector ballots for each legislative district within his county and shall cause sufficient ballots of the proper kind or kinds to be provided.

Voted ballots shall be retained by the county clerk until election day when they shall be transferred to the ballot processing center and thereafter made a part of the election returns. (History: S.L. 1970, Ch. 140; S.L. 1976, Ch. 73)

(5) In the event that paper ballots are used in conjunction with voting machines or vote tally systems to record write-in votes, these paper ballots may be returned to the office of the county clerk for counting by special counting boards. Ballots so counted shall be tallied and returned by precinct. (History: S.L. 1970, Ch. 140)

34-2425. Preparation and distribution of sample ballots. (1) At each primary, general and special election there shall be provided as many sample ballots as the

county clerk considers necessary. The sample ballots shall be prepared and distributed as provided by law.

(1) Before each election at which voting machines are to be used the county clerk shall place on public exhibition a suitable number of voting machines for the proper instruction of voters. The machines shall be arranged and equipped with ballot labels so as to best illustrate the method of voting at that election and so far as practicable, shall contain:

- (a) The names of the offices to be filled.
- (b) The names of the candidates to be voted for, together with their proper party designations in case of party elections.
- (c) Statements of the measures to be voted on.

(3) Before each election at which a vote tally system is to be used, the county clerk shall make every reasonable effort to acquaint the electors within his county with the ballot format and the marking system. (History: S.L. 1970, Ch. 140)

34-2427. Physically disabled voters. (1) The election board clerks shall instruct electors on how to record their votes on the voting machine or vote tally system, and shall give assistance to any elector who declares that he is unable by reason of physical disability or other handicap to record his vote on the machine or vote tally system, and on request by the elector after he has entered the voting booth, shall give him the necessary information to enable him to record his vote.

(2) Any elector who, because of blindness, physical disability or other handicap, is unable to mark his ballot shall, upon request, receive the assistance of the election board clerks or some other person chosen by the elector in the marking thereof. Such clerks or person shall ascertain the wishes of the elector and mark his ballot in accordance therewith, and shall thereafter give no information regarding such marking. The election board judge may require a declaration of disability to be made by the elector under oath. Whenever an elector receives assistance in this manner, a clerk shall make a notation thereof in the combination election record and poll book following the name of the elector.

(3) If any elector, after entering the voting booth, asks for information regarding the operation of the voting machine or marking device, the election board clerks shall give him the necessary information. (History: S.L. 1970, Ch. 140; S.L. 1972, Ch. 129)

34-2428. Time allowed each voter to vote. (1) Except for cases of physically disabled electors, the operation of voting shall be secret.

All elections, including but not limited to bond issue elections, heretofore conducted pursuant to this chapter and all proceedings had or to be had in the authorization and issuance of the bonds authorized thereat, together with all such bonds when issued, are hereby validated, ratified and confirmed, and all such bonds when issued are declared to constitute legally binding obligations in accordance with their terms.
