Q1. Can we include added value solutions in our proposal for the tender Kenya RFQ-21-026?

- **IFES Response:** IFES would prefer that proposals to the tender directly respond to the needs outlined in the RFQ specifications. However, should the vendor want to provide added value solutions they are free to do so with the added value costs separated out. The response should clearly indicate what the cost of those added value solutions are so that IFES can make our final choice based on all available information and options.
