Request for Applications RFA-19-060

Questions and Answers

July 16, 2019

Q1: Under the section of Scope of work, it is clearly written that this project is focused on Sudurpaschim, Karnali and Province 5 and need to identify district per province however there is also mentioned that *Applicants must work in at least five and must also have a presence in the Kathmandu Valley area* so this statement is a bit confusing. Does it mean that need to identify the total five districts under three provinces?

- *IFES Response: For this project, IFES requests applicants have one training group within the Kathmandu Valley and focus on at least five additional districts in Sudurpaschim, Karnali and Province 5, for a total of six training groups. Applicants are not required to have a training group in each province listed (except for the Kathmandu Valley) but applications with a wide geographical spread are preferred.*

Q2: If the organization has previously worked with IFES can we mention IFES name under the reference (in attachment C)?

- *IFES Response: If your organization has previously worked with IFES, you may list IFES as a reference, but kindly also include references from other organizations whom you have recently worked with.*

Q3: We would like to request for sending Terms of Reference about Building Leadership Skills and Increasing Political Participation of Youth in Nepal.

- *IFES Response: Refer to section 4 (Scope of Work) in the RFA to find the terms of reference for this project.*
