RFQ-20-023 Interpretation and Translation Services

Questions and Answers

January 29, 2020

1. I have a question in relation to point 8.4 Subcontracting (No subcontracting is allowed under this solicitation). Since my company does not employ any translators/interpreters (besides myself), all translation projects are implemented by contracted translators/interpreters while I organize the translation process and ensure quality assurance. Does this fact make my company ineligible for this RQF or would it be sufficient if I provided CVs of the translators/interpreters that I work with?

IFES Responds: Unfortunately, your company will not be able to participate in this procurement as subcontracting is not allowed under this solicitation.
