## INTERNATIONAL FOUNDATION FOR ELECTORAL SYSTEMS

### Request for Proposal RFQ 21 - 026

#### Questions and Answers

March 25, 2021

**Q1. Kindly clarify on the storage requirements do you require 512 SSD and 1TB hard disks in the machine?**

IFES Response: IFES will require both a 512GB (or larger) SSD and a 1TB (or larger) SATA hard drive in each machine.

**Q2. In the RFQ it indicates screen capability “..TOUCH..”. Should this be understood to mean All-in-One Desktop PC since Touch capability is not integrated on Standalone Desktop Computers ( CPU, Monitor, KBD +Mouse) setup?**

IFES Response: Yes, IFES is specifying All-in-One Desktop PCs with Touch capability. All-in-One Desktop PCs without Touch capability will be out of specifications requirements for this procurement.

**Q3. A certification signed by an officer or authorized representative that the prospective contractor/vendor has sufficient financial, technical and managerial resources and facilities to complete the scope of work. Question is, should this officer be Advocate(legal), Financial Inst. (Bank) or Client?**

IFES Response: The certificate will need to be signed by company’s president, director, or an authorized representative.
